

Carleton Heights Curling Club
Day Ladies League

Following a discussion at the 2018 Annual General Meeting of the Carleton Heights Curling Club Day Ladies League, and the results of a subsequent survey circulated by the President, Day Ladies requested that a clear Protocol be drafted for the establishment of fixed teams for the Thursday draw. This is to ensure that all Day Ladies are aware of the process to establish fixed teams.

As many Day Ladies have expressed a desire to curl with the same teammates for the Thursday draw, nothing in this Protocol precludes Day Ladies from setting up their own fixed team and so advising the Chair of the Match Committee.

PROTOCOL FOR FIXED TEAMS

Prior to setting up the Thursday draw schedules:

- The Chair of the Match Committee will send out an email requesting that Day Ladies confirm if they are playing in the draw and to indicate if they are on a fixed team and the position they are playing.
- If a Day Lady wishes to become a member of a fixed team, she will advise the Chair of the Match Committee.
- If a Day Lady no longer wishes to be a member of a fixed team or would like to join another team, she will first advise her skip and teammates, and then advise the Chair of the Match Committee.
- The Chair of the Match Committee will email a list of available players to Day Ladies who are not on fixed teams so that they have the opportunity to form their own teams.

While the Chair of the Match Committee is the point of contact, her responsibility is to ensure that all available players are aware of who is not on a fixed team, not to establish teams. If requested, the Chair of the Match Committee can assist in placing members on a team.

Day Ladies on a fixed team commit to play for their team for the duration of the draw. Day Ladies who wish to change fixed teams or play on a drawn team, will advise their team mates and the Chair of the Match Committee prior to the Match Committee setting up the subsequent draw.

If all of the team members agree, fixed teams may have five members.

SCORING

THURSDAY – URQUHART/CASKEY DRAWS

If there is a tie in the win/loss scoring, the winning team will be determined by a draw to the button in the same manner as most bonspiels.

TUESDAY – BARKER/CRIBB/TEA POT DRAWS

The usual scoring system will be applied to the Tuesday draws. In the event of a tie for the win/loss, the scoring will be used to determine the winner & runner-up.
