

DAY LADIES TROPHIES

Welcome! The Carleton Heights Day Ladies play on Tuesdays and Thursdays from September to April.

October to December:

Barker Trophy (Tuesday Fall Draw Curling)

The Barker is “draw” curling where members sign up to play and teams are drawn by the “Match” committee.

The Barker Trophy was donated by the Day Ladies in honour of Tedde Barker. As a founding member, along with her husband Art, Tedde originally curled outside on natural ice. Tedde enjoyed six decades of a very competitive curling career with many curling achievements. Shortly before her retirement at the age of 91, Tedde skipped her team to win the annual Crystal Heart Tournament.

The Barker Trophy is presented to the winner of the CHCC Day Ladies Tuesday fall draw curling.

Urquhart Trophy (Thursday Fall Fixed Curling)

The Urquhart is “fixed” team curling where members sign up with their own set team of players.

The Urquhart Trophy was donated by Ross Urquhart in remembrance of his wife, Diana Urquhart. Diana was an avid curler and longtime active member of CHCC.

The Urquhart Trophy is presented to the winner of the CHCC Day Ladies Thursday fall fixed curling.

January to April:

Cribb Trophy (Tuesday Winter Draw Curling)

The Cribb is “draw” curling where members sign up to play and teams are drawn by the “Match” committee.

The Cribb Trophy was originally donated by David Cribb. On his passing, his children continued to support this trophy.

The Cribb Trophy is presented to the winner of the CHCC Day Ladies Tuesday fall draw curling.

Caskey Trophy (Thursday Winter Fixed curling)

The Caskey is “fixed” team curling where members sign up with their own set team of players.

The Caskey Trophy was named in memory of George Caskey, sponsored by founding members Joan and Jack Kenney. George Caskey, along with Hugh Crawford, were instrumental in forming the first Junior League.

The Caskey Trophy is presented to the winner of the CHCC Day Ladies Thursday winter fixed curling.

Teapot Trophy (Tuesday Spring Draw curling)

The Teapot is “draw” curling where members sign up to play and teams are drawn by the “Match” committee.
