

CHCC Sustainability Fund Rock Handle Acknowledgements

COVID-19 has caused a significant reduction in the number of curler registrations and events compared to previous years. The associated reduction in revenue is placing a strain on the financial well-being of the club. Without support, the club will be forced to use its reserves and Capital Fund to support ongoing operational costs.

As part of the CHCC Sustainability Fund we will be acknowledging those who make a donation of \$250 or more with a personalized rock handle that will be used in the club. Donations can remain anonymous if you prefer.

Rock Handle Acknowledgements

Each rock handle can have your name and/or message of up to 3 lines of 18 characters each. You can pick your favourite sheet, colour, and rock number. We will do our best to accommodate your preferences, but cannot guarantee it.

Duration and Donation

<u>Amount</u>	<u>Duration</u>
\$250	5 years
\$500	10 years
\$750	Lifetime

Process

After making your qualifying donation to the CHCC Sustainability Fund you will be contacted by the club so you can specify your rock handle details.

When

The first set of handles will be in place for the start of the 2022-2023 season. Donations must be made by June 24 to be included in our first order. The time period for these rocks will begin at the start of the 2022-2023 season.
