

**VP Report
2026 AGM
Peter Garneau**

It has been a crazy curling season to say the least. The fire at the club had the potential to disrupt and possibly even shutter our club. However, we are going strong and we are looking forward to our newly refreshed club and the start of a new season in October.

I would be remiss if I didn't give special thanks to several groups:

Thanks to the Hunt Club, the RA, and City View, we were able to provide all of our leagues with ice time this season. We are fortunate to have a large curling family in Ottawa willing to help us out.

Thanks to the CHCC board members. It has been a crazy year with lots of stress, but things are looking up.

Thanks to the league convenors for their dedication to coordinating their leagues with sometimes changing schedules, changing teams, and new locations.

A special personal thanks to Ryan Wright for spearheading our fund raising campaign. Thanks to his initiative, while most of us were still in a state of shock, we have been able to raise over \$135K to help cover the costs beyond what the insurance was covering.

And a final thanks to all of the you, the curlers this season. Your flexibility and willingness to curl on different days is commendable. The CHCC community is amazing, and this can be seen by the large number of you that stuck with us during this evolving season.

2025/26 Season Highlights

- Despite most clubs having very limited ice available, we were able to offer ice to all of our leagues for the season. Times and days changed, but for the most part it was a successful season.

2026/27 Season Projects

- Introduction of a Sunday Doubles League
- Introduction of a Day Time Learn to Curl Program
- Expansion of the Day Recreational League
