

# Membership Report

Carleton Heights Curling Club AGM 2026

Submitted by: Ken Hollingshead

## Summary

- Thanks to Mark Quinn for setting up CHCC's registration system for the current season (e.g. base membership, leagues, lockers, discounts, etc.).
- Thanks to Peter Garneau for coordinating the complex credits that resulted from the recalibration of the base membership and league fees in response to relocation of CHCC leagues to other club facilities.
- This season was my first year in fulfilling CHCC Membership operational responsibilities (e.g. fulfilling registration, de-registration, credit and refund updates). The volume of transactions was much higher than normal due to the disruptions associated with moving CHCC leagues to other club facilities.
- 117 curlers, that were registered in 2024-25, did not return in 2025-26. This was offset by 56 new curlers that registered in 2025-26.
- Year-over-year club registrations were down by 61 curlers and year-over-year league registrations were down by 42; both largely due to less convenient curling locations, days of the week and time of day.
- 18 curlers from the 2024-25 Adult Learn to Curl (L2C) Program and Development League joined Club Leagues in 2025-26. Refer to registration detail in the Curlers by League tables below.
- 2026-27 league registration will open in April, 2025.
