

## DARA

The DARA (Department of Agriculture Recreation Association) league is pleased to have 10 teams playing this year, using 5 sheets on Sundays at 5pm at the Hunt Club.

A big thank you to the members of the CHCC Executive who worked diligently to find ice for the club's numerous leagues.

Historically, our open fixed league has had 16 teams at CHCC, filling 2 draws on Tuesday evenings at 5pm and 7pm. We've altered our round robin and playoff format to accommodate this year's reduced ice availability. Everything is moving forward smoothly.

We were able to make arrangements for the annual DARA Funspiel, to be held February 21 at the Rideau Curling Club. The Rideau kindly offered us some discounts in recognition of CHCC's situation.

We look forward to returning to CHCC on Tuesdays in 2026-27 and for the return of our members who could not accommodate Sundays in their schedule this year.
