

OCA/OVCA Chair Report

CHCC AGM, February 2026

Mark Bodnar

Obviously, this has been a different type of year for our club. Given our situation, the Ontario Curling Association (OCA) agreed to cut our OCA and Curling Canada fees in half for this year. This saved the club approximately \$2300, which will help go toward the restoration of our facility. We greatly thank the OCA for their generosity this year.

We look forward to resuming hosting of long-running OVCA bonspiels next year, including the OVCA Junior SuperSpiel and the Crystal Heart bonspiel.
