

Statistics Canada Curling League report

CHCC AGM, February 2026

Mark Bodnar, League President

The Statcan league continues at full capacity this season. Despite losing several members this season due to scheduling conflicts, we have been able to recruit replacements, pulling largely from the club's Learn to Curl Program.

This year we are curling at the RA Centre on Saturday mornings from 11:15 am to 1:00 pm. The RA Centre has been hospitable, providing staff at the Fieldhouse lounge so that we can continue to socialise following our games.

I fully expect that we will field 8, if not 9 teams next season when we return to CHCC. Our members are very much looking forward to returning to the club.
